It's so incredible,
Hey, Hey, Yeah,
Hey, T-Pain, Boosie, Nappy Boyz,
Hey, yeah, yeah,

[T-Pain]

Niggas thinking I'm soft, (soft)
I might just break 'em off, (off)
You think you coming up I'm a take you down,
I'm on top this, Nigga I wont stop,
Gonna pop, if you think you taking my crown,
If a Nigga wanna look my way, (I'ma take you down)
Somebody tell him where I stay, (I'ma take you down)
Cause Niggas thinking that I'm gonna fall, (I'ma take
you down)
You don't know that I'm a mother fucking dog, (I'ma
take you down)
Yeah, Hey,

[Ace Hood]

Gutta, Gutta, Ace Hood,
See I've got money out the ass,
That's some real Bay shit,
If you Niggas think I'm fallin, I be ballin' like I'm Vick,
You can call it what you call it,
You'll be stallin' on the pits,
Give a fuck about it bitch, I tell a G to suck a dick,
I've got blood diamonds, any color,
Golden from Angola,
Like I got it from the Solar,
I'm as cool as a damn Polar Bear,
Men and women gotta stare,
We The Best, millionaire,
Money out the dairy air,
Money Jay see cya there,
Brown paper yellow taper green label
Easy to bag it up the Louie duff,
A million for the fuck of it,
Matter of fact I'm filthy rich, haters they can suck a
dick,
See em on some Star shit, when you see me make a
wish,

Niggas on their bad mouth,
Blast till their rims out,
Mussle in your grin, tell them pussy niggas laugh now,
If you think it's sweet then fliers will I passed down,
Ask around, you'll get left in trash routes, what now?

[T-Pain]
