# "Teach Me How To Dougie"

Visit "[Teach Me How To Dougie](#)" on MotoLyrics.com

I'm Mr. Hood (Well alright)  
Ahem

Okay, now welcome to my gutta show  
Pockets on Geronimo  
Creepin' in that Beamer black, call it Maya Angelou  
24's on the toe, cut the top like Amber Rose  
And I'm wit' a bad bitch, you can see her camel toe  
Tities like a cantaloupe, and she got that super throat  
Man I'm gettin' laptop, call my bitch a Vaio  
Beat it like she stole the dough  
I made her catch the Holy Ghost  
Deuces to you, adios, like Chris Brown and Tyga hoe  
Damn, let me take it slow  
Teach me how to dougie though  
Fuck it, bags of money flow, I am such a nympho  
Benjamin my kinfolk, we go back like '64  
Talkin' 'bout Nintendo, but I don't play no game hoe  
I'm a movie role, you're an episode  
I'ma live in color, like a Sanyo  
So what the dealio? I get the member loaps  
Six figure checks, that's when you're winnin' though  
I'm an asshole, stuff it till the bag swole  
I run my city homie, you can call me Castro  
Hundred thousand dollar chain make my neck glow  
So she suck it till she start to get a strep throat  
I'm in beast mode, tell me what is info.  
I'm the shit, boy somebody get the Pepto

I say, get the Pepto

Okay, 'cause, I be on some money, I be, I be on some  
money shit [X3]

You can do it too, gotta join the We the Best clique
