[Intro]

Uh

Well alright

Only if you niggas could walk in my shoes homie

This is "The Statement"

[Verse]

Uh

Look in my eyes there's nothing mediocre

Can't see the beast into my inner soul ah

Welcome to my building, come and meet the newest owner

Out a coma, I'm a different type of organ donor

Different breed, come and see why they be hating on him

Hundred thousand dollar jewels, need a sweater thermal

Bitch I'm paranormal, hot as fucking Arizona

Rep my city, play the base like I was Sammy Sosa

Uh, I'm taking over, that's my inner motive

Smell the money odor, trying to meet my monthly quota

Dopest nigga around, minus all that baking soda

Heavy roller, hear me motor, Giovanna floaters

Sick and tired of being cried, now that shit is over

Hot as early morning Folgers, I'm with twenty soldiers

Blacking out, just like the album, deuces up to H.O.V.A.

Brush the hate up off my shoulders, welcome me again

Got my CD on my collar like a violin

Broward County, nigga run it like a Titan

Newest artist with a hundred grand advancement

Gave my bitch a couple bands for enhancement

Ha, so what the fuck them niggas talking about?

I am the only shit they talking about

A lot of rumors but I'm getting guap

Busting bladders, laughing at them as I see the top

Ha, rather backing me to the fucking block

I swear they hate when niggas getting guap

But I'm addicted to my chain and watch

Balling like I'm Chris Bosh, never would I stop

Uh, I see them staring with they looking ass

Quick to judge a nigga, haters wish I'm doing bad
Got me mad so I went and got a paper tag
Like the Benz but I went and did another Jag'
Yeah, and I am young and arrogant as hell
Do it for the real niggas, hope for posting bail
I welcome y'all to "The Statement"
Only trill niggas play it in your tape deck
Uh, and that's word to my only city
Only fucking if she got a pretty set of titties
Told my niggas that I got to stay fucking with me
Murder everything, make Obama come and get me
Bang, bang from a clip that hold a buck sixty
This is my world, you are just a bug in it
Dead body if I ever put them slugs in it
You don't really want to fuck with it
I built this motherfucker from the floor
Twenty two and getting money all a nigga know
The next big shit I put that on my nigga Fo

I'ma show you to the front door
