Featuring French Montana  
Prod. by The Renegades

(Intro)

If it wasn't for this it wouldn't be that  
Drink Montana

(Hook)

Bad bitches, top down  
Foreign cars, popping bottles  
If niggas broke, it ain't my problem  
We giving niggas what they want  
Dirty money we be spending  
Came from the bottom now all of my niggas winnin  
Pull up in that drop, niggas get offended  
100 on the watch, I'm shinin every minute

(Verse)

I remember nights on them porches  
I'm dreaming Porsches and Benz  
Drinking Hennessey, plotting on other ways I could win  
Back in the day I was trouble, when nigga Bakas was in  
Mama off in the kitchen, cooking my favorite again  
Had my sign on the million, most my niggas was  
dealing  
Stashin work in them civics, running that boy like the  
emmit  
Hopping up in that new Chevy, that bitch was too pussy  
tinted  
Heard them jack boys are lurking  
Man I be one of the victims,  
A cold world, a cold world  
Tryina make a dollar for my daughter and my old girl  
Gotta make a way, I'm chasin paper, Maybach  
chauffeur  
If you don't grind then you don't shine nigga that's  
word  
Hey that's word, I say hey young world, how you doing  
today  
You ever ran up out of answers, all you could do is pray  
She told me baby you recover, what my granny would

say  
Don't got no grudge with my daddy, I'm millionaire to  
this day  
I taught myself how to be a man, ain't no follow to  
thank  
I felt that nigga should be around, just to show me the  
way  
Just know he wasn't, I was out here thugging  
Looking at them dope boys stunting, foes on them  
curtains  
Pocket full of them hunned, bitches love it  
Low key and buckets, no kind of budget  
Screaming fuck it, when you came from nothing  
Came from nothing, word

(Hook)

Bad bitches, top down  
Foreign cars, popping bottles  
If niggas broke, it ain't my problem  
We giving niggas what they want  
Dirty money we be spending  
Came from the bottom now all of my niggas winnin  
Pull up in that drop, niggas get offended  
100 on the watch, I'm shinin every minute

(Verse)

Yeah, ok, I hustle and soft the muscle this shit my  
religion  
Young and focused, I'm on it, not one of the seats  
having figures  
Had to make a way out the struggle and sacrifice with  
decisions  
Riding low in the Taurus, I always prayed for the  
Bentley  
Had a whole another mission, to get rich on your  
bitches  
Tired of goin to the bank and they say my funds'  
insufficient  
Only one thing to do, I had to go out and get it  
Always wanted to ball, I had to play my position  
And I did just that, put on my CD and in fact  
I keep a mill in my safe, and plus it's 12 in the ghet  
200k for the whip, you see the 30 they tag  
I'm on a boat with them bitches  
I give a fuck if you mad, we living  
Straight out the gutter to making millions  
And I did it with real niggas

(Hook)

Bad bitches, top down  
Foreign cars, popping bottles

If niggas broke, it ain't my problem  
We giving niggas what they want  
Dirty money we be spending  
Came from the bottom now all of my niggas winnin  
Pull up in that drop, niggas get offended  
100 on the watch, I'm shinin every minute
