Im Trying, Trying, Trying Not To Fail (Not To Fail)
I Would Rather Go To To Hell
But It Feels Like (Huh)
Im Already There (Huh)
Haters They Wont Me Gone (Huh) And If Your From The
Hood (Huh)
Sing Along€!

Im Trying, Trying, Trying Not To Go Hard,
But I Aint Seen No Competition In The Game So Far
(Huh),
Im Already Here (Huh),
So You Cant Make Me Leave (Huh),
Heavenly Father Please,
Please Believe That Im Trying

Yeah
And Try Is All I Got To Do
Look Into The Mirror
Told Myself
Aint No One Hot As You
Reeping For My Label Cruel
We The Best
I Showed You Proof
See Me Snapping In The Both
And Wonder Why Im So The Truth
Trying To Keep My Fuckin Cool
Sick Of All The Gossip News
Hustle Is Just An Under Statement
I Just Paly My Nearly Do
Heard They Want Me Out Of Here
Sorry Its My Time Of Year
Waiting My Whole Life For This
God The Man Who Bought Me Here
Tryna Feed My Family Though
Counting On That Seed To Blow
Fuck Your Expectations
I Dont Already Exceded Those
Ask Me Why Mama Cried
Wonder Why My Dady Lied
Told My Family To Wipe Their Tears
Thats One Thing That I Cant Deny

Im Trying, Trying, Trying Not To Fail (Not To Fail)
I Would Rather Go To To Hell
But It Feels Like (Huh)
Im Already There (Huh)
Haters They Wont Me Gone (Huh) And If Your From The
Hood (Huh)
Sing Alongâ€¦!

Im Trying, Trying, Trying Not To Go Hard,
But I Aint Seen No Competition In The Game So Far
(Huh),
Im Already Here (Huh),
So You Cant Make Me Leave (Huh),
Heavenly Father Please,
Please Believe That Im Trying

Yeah
And Fuck That Trying I Got To Win
Just Go The News Im Having Baby Twins
Lord Please Forgive Me For My Recent Sins
And Thank You Jesus For My Recent Trim
Witness My Record Going Top 10
And Im Never Stopping
Im Just Winning Caught My Second Win
In The Back Bone Of That Bull
Everybody Know That I Do It
They Say Hes Dope But I New It
You Had A Chance But You Blew It
And I Wont Stop Till I Get Mine
Every Penny, Every Dime
Every Ball, Every Line
Dont Grind, Don't Shine
Going To Hard When Its About Mine
Thinking In A Quit Have You Lost Your Mind
Got Me A Coop With The Top Down
Im The King Of My Block Now

Im Trying, Trying, Trying Not To Go Hard,
But I Aint Seen No Competition In The Game So Far
(Huh),
Im Already Here (Huh),
So You Cant Make Me Leave (Huh),
Heavenly Father Please,
Please Believe That Im Trying
