(Hook)

I'm doing my thang, pockets on full
Bitch I'm super clean, bitches go and look
Yeah you know,
Bitch I'm tryina come up, bitch I'm tryina come up
Bitch I'm tryina come up, bitch I'm tryina come up
Sipping on lean, smoking on kush,
Pockets full of green, selling George Bush
Yeah you know,
Bitch I'm tryina come up, bitch I'm tryina come up
Bitch I'm tryina come up, bitch I'm tryina come up

(Verse)

Talking bout what you gonn do, choke bad if you want
to
Loading up my fire, watch it burn the flesh when it go
through
Niggas talk like hoes do, we'll slap them hoes too
We don't fuck with them fuck niggas,
Ungrateful and unloyal
My bitches spoil you, 20 stacks in the Louie bag
No ready blewing on gang bang, Louie parts in my
Louie rang
Leave it all, popping tags, out of line, I pop your ass
Gased up, chevron, that ak will stop your ass
Counting cash I'm getting money, now a nigga can't
take it from me
He broke and hungry, my pockets full
Look clean and I'm smelling good

(Hook)

I'm doing my thang, pockets on full
Bitch I'm super clean, bitches go and look
Yeah you know,
Bitch I'm tryina come up, bitch I'm tryina come up
Bitch I'm tryina come up, bitch I'm tryina come up

(Verse)

Bitch I'm tryina come up, 100 chains all on my stomach
Niggas did it when I done it, and your main bitch I don't
want her
100 clip you hear that thunder, 100 years when niggas

fumble
100 bitches what we come through, 100 bottles tell that
stumble
I be pimping like I want a nigga slipping, he's a goner
Niggas hungry, I drove out that dealer masi, doing
donuts,
Catching liquor and I blow it I pimp them hoes like a
poet
I smoke that kush like I grow it
Hit the strip, it was snowing, it's that weed the best
coke boys
Hammers making no noise, give niggas 2 choices,
Come up and down

(Hook)

(Verse)

Shout out to Kelly, We The Best,
We be getting money, you looking stressed
YMCMG, salute to stunna, 4 words bitch I'm tryina come

Dead to hold a hunna, any nigga run up, they get done
up off the come up
My life is obama, I'm so presidential, you so
sentimental
Your bitch she got potential, and I'm so influential
Hold up, these nikes cost 2 grand, these shades cost 5

These niggas I mob with, I sold dope and I rob with

Getting this money I never do sleep, 100k I make that
in a week
25 000 I hop on the beat, top of the whip so you know
that it's me

Balling nigga like Spalding, sipping that good,
What you m call it, remember them nights, mama was
calling out in them streets
Gotta be cautious, niggas are plied, running your spot
Hit a young boy when he's getting that gwap
Fuck them niggas, look at my wrist, oh you mad, take
your bitch
I'm in that ghost, holy shit, stayed in the ground and it
got me rich
Stayed in the ground and it got me rich, got me rich,
yeah got me rich
I say bitch I'm tryina come up, outchea to the sun up
Crib cost a mill, my watch another hunder

(Hook)

Bitch I'm tryina come up, bitch I'm tryina come up
Bitch I'm tryina come up, bitch I'm tryina come up
