[chorus]

ok, i stepped off in this motherfucker bank roll on me
feeling myself, got a couple chains on me
see i think i'm the shit and you should think the same
i'm swagging with them all bet them bitches know my
name

cause i walk it like i talk it, playing how i say it
them other niggers starvin'im out here getting fed
cause i walk it like i talk it, walk it like i talk it
own it then i copy, it's no longer on the market

ok now, more money more problems, just bring me my
dollars

see i'm 'bout my fetti, paper chasing scholar
got them diamonds on my wrist, more off from my
collar

swag is on the good, talking chubaka i pull up in that
coolata

hoppin out with the models

hand them with the marbles, they might have some
type of choppers

i just tell you how to play, watch what you be sayin
walk it like i talk it bitch i'm focus on the bandz

i pull up to any club, you already know

there go mister hood, just don't check him at the door
got that bumper label on, oh i think i'm fly

bitch you know i is, that's exactly my reply

[chorus]

i'm out here getting fed

cause i walk it like i talk it, walk it like i talk it

own it then i copy, there's no longer on the market

ok, i'm too raw for you bitches

living what you wishing

â€¦ gonna keep that pistol, swear one day it meet your
stitches
you should see me when i'm loking, sipping on my lil
potion
have them bitches bugging, yeah i'm talking roaches
cause i walk it like i talk it, copy it if i like it
gonna bet i get her wet
check that pussy like some nices
bet i'm getting head
swaggin off in the jag
with the top peeling back
just to make them mad, just another paper tag
i'm so down for the talking, that's just if you mention
cash
what you say? what you say?
ok, we ain't talking about paper
you kindly kiss my ass
