[Chorus]  
ooh na na  
whats my name  
ooh na na  
whats my name  
ooh na na  
whats my name  
whats my name  
whats my name

[Verse 1:]  
im on top  
missionary  
say my name  
three times  
like bloody mary  
and i'll be there  
in a flesh girl  
love it when i  
use my tongue  
as a gesture  
just to  
let you know  
my taste buds  
look nice  
now i wonder  
do you taste good

uh  
and i mean that  
in the best way  
say my name  
like god  
on a sunday  
oh oh  
champagne  
set the mood right

no clothes  
leave your panties  
on my nightlight  
looking for the plumber  
i can lay the right pipe  
no keyboard  
shawty just  
the right type  
plus you outta this world  
you so sci-fi  
im just being real  
shawty tell me  
why lie  
i bet the neighbors  
know my name  
and you know why  
yeah you know how  
specially when you  
scream out
