[Chorus X4]

White leather, hot new pair of rims
Brand new pistol wit' a trigger like a hair pin

[Ace Hood - Verse 1]

Well I just copped that mini Bentley fo' do'
Always see me golow, oh I'm in it so low
My fitted sittin' so low, put that black tee there
Fresh in my Polo, pistol under seat only, use that bitch
for promo
Bad yellow broad and she suckin' on my zo zo
While I'm coutin' Huros, turned it to a funeral
Dead pres' is everywhere, money out the derriere
Yeah I'm doin' very well, holla when you see me there
Boy I wish a nigga would, try me like I ain't hood
Over here we all good, run up if you think you could
You could meet my poster, leave you in a Dumpster
Blast till my thumbs hurt, yeah nigga shootin' first
Now that's nasty, you should see the Caddy
Cash money addict, I'm stuntin' like my daddy
Ace Hood swaggin', but I'm kind of embarrassed
Walkin' like I'm pigeon toed, pockets fulla cabbage and
I'm sittin'

[Chorus X4]

[Ace Hood - Verse 2]

And yeah, you see them choppas
And they choppin' on that pearl Benz
They like a whirl wind, it'll reel your girl in
No baby mamma drama, you can bring your girlfriend
So come to mamma, hop in that droppa toppa
Don't worry 'boutcha man that's why I carry the choppa
It go blocka blocka blocka b-blocka blocka blocka, yeah
he gon' need a doctor
I dump his ass off in Broward, tell 'em I holla holla
I dip off in that Impala, them rims still spinnin'
I did my best to stop 'em, I get them from the boarder
Across the water I order, this Tommy Melanoma
Diamonds kept in the coola', ordered them from the
mula
I hit up Kevin the jeweler
You ever try to play me I let you meet wit' the Rouga

That little body movement, them 26's a tumor
Put stripes on the Jag' I call that bitch in The Puma, this
twenty two suited
And I'm sittin' on that

[Chorus X4]
