Fly away X 2
It's a dream of words and emotions
An another place a time
I guess i'm feelin' lost in the holl my thought was mine
It's a univers on ocean life is just so bad to feel
Open your heart for someone nothing is revealed

Fly away
You can leave it all behind you
I'm on my way to fly
And i'll soon be flying too
Fly away
We can fly away together
I'm talking loud forever
We says it's all we gotta do
Fly away
It's a tangle doubt and motion
Will you stay or will you go?
I am the one to count on before me you wouldn't know

Fly away
You can leave it all behind you
I'm on my way to fly
And i'll soon be flying too
Fly away
We can fly away together
I'm talking loud forever
We says it's all we gotta do
Fly away

(Now fly away) X 2
(Fly with me) X 1

Fly away
You can leave it all behind you
I'm on my way to fly
And i'll soon be flying too
Fly away
We can fly away together
I'm talking loud forever
We says it's all we gotta do
Fly away X 2
