I am the writer of the plays, played at the theatre of
pain

I am the joker in the most evil of all games

I host the circus of the plague

SO!!

Cut me with glass

And poison my scars

Doubtless profane

So gracious insane

I am the infinite that haunts the black spots of your soul

You know. you love to hate me

And the saviour's quest has always been to have me

enslaved

So show me your fantasies

All the highs you wish.

All the highs you wish would last forever.

FOREVER!!

I twist your nature

Your eyes wide open, thou resistance is in vain

Embrace the pleasure!

You may believe in God.

But I am your carnal, and your mental, and your soul

sort cause of

PAIN!!

Cut me with glass

Poison my scars

Doubtless profane

So gracious insane

YEHH

Cut me with glass

Yes I know you will

Poison my scars

This beauty is

Doubtless profane

It's black and it's.

Gracious insane

The horror inside

Cause I am always
Forever the infinite.
Curse and damnation
Delightful and. BLESSED!!
