All I want is a bad boy, that's right I'm a bad girl.
All I want is a bad boy, cause I wanna be a bad girl.
This here it's not 'bout you it's me.
I don't care what you say.
I don't care who you be.
All I want is a bad boy, cause I wanna be a bad girl.
That's right.

Na na na na...
Bad girl

I want a player who's dressing well.
Take me anywhere I don't care.
Show me off to your friends and stuff.
I let you know when I had enough.

Shake me, make me, take me, don't break me.
Take me anywhere you want to.
I follow you, where ever you go.
I am here just to let you know.

All I want is a bad boy, that's right I'm a bad girl.
All I want is a bad boy, cause I wanna be a bad girl.
This here it's not 'bout you it's me.
I don't care what you say.
I don't care who you be.
All I want is a bad boy, cause I wanna be a bad girl.
That's right

Na na na na...
I like that
Na na na na...
I like that
Na na na na...
Bad girl

I want a player to give me cash.
If you don't, you don't get no ass.
When you're driving your car around.
Pick me up and never let me down.

Shake me, make me, take me, don't break me.

Take me anywhere you want to.
I follow you, where ever you go.
I am here just to let you know.

All I want is a bad boy, that's right I'm a bad girl.

All I want is a bad boy, cause I wanna be a bad girl.
This here it's not 'bout you it's me.
I don't care what you say.
I don't care who you be.
All I want is a bad boy, cause I wanna be a bad girl.
That's right

Na na na na...
I like that
Na na na na...
I like that
Na na na na...
Bad girl

Na na na na...
I like that
Na na na na...
I like that
Na na na na...
Bad girl

All I want.
Is everything you got so give it to me.
All I want.
Is everything I see so give it to me.
If you want we will,
We will.
If you feel me, sing along.
Sing along.
All I want.
Is a bad boy are you the one for me.

All I want is a bad boy, that's right I'm a bad girl.
All I want is a bad boy, cause I wanna be a bad girl.
This here it's not 'bout you it's me.
I don't care what you say.
I don't care who you be.
All I want is a bad boy, cause I wanna be a bad girl.
That's right

Na na na na...
I like that
Na na na na...
I like that
Na na na na...
