Baby, you're perfect for me
You are my gift from heaven
This is the greatest story (of all times)
We met like in a movie
So meant to last forever
And what you're doing to me (feels so fine)

Angel, I wake up
And live my dreams, endlessly
Crazy for you

Can you feel the rhythm in my heart
The beats going D?M TEK TEK
Always out it like there's no limit
Feels like there's no way back
Can you feel the rhythm in my heart
The beats going D?M TEK TEK
Always out it like there's no limit
Feels like there's no way back

Baby, I read all answers
In your exotic movements
You are the greatest dancer (of all times)
You make me feel so special
No one can kiss like you do
As it's your profession (feels so fine)
Angel, I wake up
And live my dreams, endlessly
Crazy for you

Can you feel the rhythm in my heart
The beats going D?M TEK TEK
Always out it like there's no limit
Feels like there's no way back
Can you feel the rhythm in my heart
The beats going D?M TEK TEK
Always out it like there's no limit
Feels like there's no way back

Can you feel the rhythm in my heart?

Can you feel the rhythm in my heart
The beats going D?M TEK TEK
Always out it like there's no limit
Feels like there's no way back
Can you feel the rhythm in my heart
The beats going D?M TEK TEK
Always out it like there's no limit
Feels like there's no way back

Always out it like there's no limit
Feels like there's no way back
Always out it like there's no limit
Feels like D?M TEK TEK
