Ooh  
I'm lying next to you  
Feeling so good  
With all the things you do

Ooh  
I'm falling in love  
And I'm in love with you  
So don't you ask  
So don't you ask it's true

Was he good  
Was he better than me  
Was he good  
Was he better than me

What's the matter with you  
Why you're bringing this up  
Why you're talking 'bout my ex  
After we had sex  
Does it matter to you  
Why you're bringing this up  
What's in the past is in the past  
So don't ask

Ooh  
I love your sense today  
Today i saw your face  
And we dance the night away  
Ooh  
Don't make it turn away  
Between the sheets you don't say  
The things you're about to say

Was he good  
Was he better than me

Was he good  
Was he better than me

What's the matter with you (what's the matter with you)  
Why you're bringing this up  
Why you're talking 'bout my ex (now why you're bringing him up)  
After we had sex  
Does it matter to you (does it matter to you)  
Why you're bringing this up  
What's in the past is in the past  
So don't ask, baby

What's the matter with you (stop bringing him up)  
Why you're bringing this up  
Why you're talking 'bout my ex (you know you're killing the mood)  
After we had sex  
Does it matter to you (stop bringing him up)  
Why you're bringing this up  
What's in the past is in the past (don't ask)  
So don't ask, boy (don't ask, don't ask)

What's in the past is in the past  
If you're in love than why do you ask  
If he was better than why am I here  
What am I doing here lying in my bed

Was he good  
Was he better than me  
Was he good  
Was he better than me

What's the matter with you  
Why you're bringing this up  
Why you're talking 'bout my ex  
After we had sex  
Does it matter to you  
Why you're bringing this up  
What's in the past is in the past  
So don't ask

Stop bringing him up  
Stop bringing him up  
Stop bringing him up  
Stop bringing him up

Stop bringing him up  
Stop bringing him up  
Stop bringing him up  
Stop bringing him up

Stop bringing him up  
Stop bringing him up (Don't ask)  
Stop bringing him up  
Stop bringing him up

Don't ask  
Don't ask
