I keep a picture of you everywhere I go
Its like my lucky charm everywhere I go
When I can't reach you on my cell phone
When I'm feeling like I'm all alone

Day after day it's not easy
Day after day I keep busy

Long distance relationships
I'm a thousand miles away from my baby's cheeks
And I miss you like crazy
I miss you like crazy

Got to hear your voice before I go to sleep
Wanna hear you talk, wanna hear you breathe
And I miss you like crazy
I miss you like crazy

If I could bridge the gab everywhere I go
If you'd be here with me everywhere I go
When I leave you my heart goes numb
When you didn't call my mind is gone

Day after day it's not easy
Day after day I keep busy

Long distance relationships
I'm a thousand miles away from my baby's cheeks
And I miss you like crazy
I miss you like crazy

More and more and more and more
I miss you more and more
More and more and more and more
More, I miss you

Miss you like crazy

I miss you like crazy
Miss you like crazy
I miss you like crazy
