Tossing and Turning the whole night this ain't no good
My heart keeps on burning and hurting because of you

Night after night this I see faces that scream in my
head Voices say: 'silly girl, don't do things that you're
going to regret'

You're the fantasy I longed for I want more You're the
enemy I ran for In inner wars You're the keeper of the
secrets Of my soul Are you playing with my feelings? I
don't know

What you're doing to me What you're doing to me I'm
drowning in your passion What you're doing to me
What you're doing to me It's worse than an obsession

Tossing and turning it hurts not to be with you Dreams
re-occurring but still not a dream come true

Night after night I realize this is no good But I close my
eyes just to hide from the painful truth

You're the fantasy I longed for I want more You're the
enemy I ran for In inner wars You're the keeper of the
secrets Of my soul Are you playing with my feelings? I
don't know

What you're doing to me What you're doing to me I'm
drowning in your passion What you're doing to me
What you're doing to me It's worse than an obsession
