Why you look my up and down for
You better move on the dance floor
Baby when you movin' that slow
I'm gonna have to let you go

Ooh ooooooooooh
Baby just dance for me
Ooh ooooooooooh
Shake the body and prance for me

You've got to dance like it's forplay
I wanna know how you move me
Come and make it really nasty
Work your body right through me

Ooh ooooooooooh
Baby just dance for me
Ooh ooooooooooh
Shake your body and give me some more

That body workin' up sweat, for me
That body soft and wet on me
That body workin' up sweat, for me
That body soft and wet on me

Yeah I like it baby, yeah

Feel the music in the club now
I think it's time for a show down
If you're not a puppet on a string
Come on baby do your own thing
Do you feel yourself in your body
The way it rubs then you tell me
What you got put it on me
Make it really nasty

Ooh ooooooooooh
Baby just dance for me
Ooh ooooooooooh
Shake the body and prance for me

If you wanna draw me

You better paint the floor
If you wanna be whit me
You've got to give me some more
That body workin' up sweat for me
That body soft and wet
Oh yeah

Oh mammy got the body all soaking
You should know where me showing
Keep throwin' hands up droppin' jerseys
To my ass with no amatory
Yes you've heard me
Keep talkin' dirty
So kind of the damn status
While in tingles got to wear frame famous
Faces movin' over dangerous places

That body workin' up sweat for me
That body soft and wet on me
That body workin' up sweat for me
That body soft and wet on me

Workin' up sweat, oh yeah

Feel the music in the club now
Feel the music in the club now
Feel the music in the club now
Feel the music in the club now
