## "Bombshock"

It's us going toe to toe  
Yeah, It's us going toe to toe

I don't care what you think you know  
The whole world going toe to toe

Bombshock!  
Bombshock!

I don't care what you think you know  
The whole world going toe to toe

I'll never be your collateral  
I know it's not safe anymore  
Im going straight out the door  
I'm going straight out that door

I'm gonna run, get my feet on the floor  
Get out of, get away from  
I'm gonna run, get my feet on the floor  
Yeah go get out, get out of, get away from

I don't care what you think you know  
The whole world going toe to toe

Bombshock!  
Bombshock!

You there's a bomb inside this room  
Dont wait around to see how this unfolds  
You rigged this up, you run me up  
Now it's out of control  
You set the tempo like a rampage  
As the truth unfolds  
You'll do the damage and I hate to say, I told you so

I'm gonna run, get my feet on the floor  
Get out of, get away from  
I'm gonna run, get my feet on the floor  
Yeah go get out, get out of, get away from

Bombshock!  
Bombshock!

Bombshock  
Bombshock

I don't care what you think you know  
The whole world going toe to toe

Bombshock!  
Bombshock!

I don't care what you think you know  
The whole world going toe to toe

I'm gonna run, get my feet on the floor  
Get out of, get away from  
I'm gonna run, get my feet on the floor  
Yeah go get out, get out of, get away from

Bombshock!  
Bombshock!

Bombshock!  
Bombshock!
