Don't you feel alive? Don't you feel alive?
I saw you take the path on the other side
Take the forward path for the second time
Been waiting for this moment all my life

Listen when I come from the rave
I go right from the stage
Bustin' my cup for the refill
I don't particularly like my peer view

You know we're not evil people
Bullshit sticks to a glorified equal
If something's you've learnt from the free fall
Come back the second time, make it a sequel

We're just people, we're just buttons
Living our life in a circle
We play our cards and we have found
And lay our equals to the ground

No, no, no, I won't go
No, I won't go, no, I won't go
No, I won't

Yeah, I can take your beating every once in a while
But I can't find the will to pluck up a smile
'Cause I'm like a wheel, go round and round
I'm plugged in the speaker but can't make a sound

I won't go, no, I won't go
Won't go
Won't go, no, I won't go
Won't go

No, no, no, I won't go
No, I won't go, no, I won't go
No, I won't

Won't go, no, I won't go
No, I won't go, no, I won't go
No, I won't

Won't go, no, I won't go
No, I won't go, no, I won't go
No, I won't

Won't go, no, I won't go
No, I won't go, no, I won't go
No, I won't
