Hart in my mouth, but my head in the clouds yeah  
I can feel it rising  
Bound to the Earth but, we could ascend yeah  
I'm realizing

I feel both feet lift off the ground  
I can levitate  
With every truth that leaves I close my eyes  
And levitate

I just know  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
The air is electric, the higher the scent is  
I can feel it charging  
I'll never forget you with transcending  
I don't know we started

I feel both feet lift off the ground  
I can levitate  
With every truth that leaves I close my eyes  
And levitate  
I levitate

Hart in my mouth, but my head in the clouds yeah  
I can feel it rising  
Bound to the Earth but, we could ascend yeah  
I'm realizing

I feel both feet lift off the ground  
I can levitate  
With every truth that leaves I close my eyes  
And levitate

I just know  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
I can levitate  
I can levitate

I feel both feet lift off the ground  
I can levitate

With every truth that leaves I close my eyes  
And levitate  
I levitate
