Yeah, yeah, yeah-yeah yeah yeah  
Yeah, yeah, yeah-yeah  
Yeah, yeah, ok-ok, uhuh but, yeah yeah yeah

Yeah, yeah, yeah-yeah yeah yeah  
Yeah, yeah, yeah-yeah  
Yeah, yeah, ok-ok, uhuh but, yeah yeah yeah

So I sit in some trendy bar  
With a girl who I met through my mate Char-lott  
She's a bit of a sort, everything was cool until we talked  
Now she didn't offend me, but her chat was proper  
empty  
I realised the girl I'm scoring  
Is fit but fucking boring  
And I'm nearly snoring  
Because she goes on and on  
About her awesome family  
And the village she is from  
And she's studying maths  
Her favourite colour is black  
And she's a terrible cook  
And-i can't help from staring at her rack

Cos I'm listening  
Yeah-i'm tuning in!  
Cos what you say is really interesting (yeah! )  
Cos I'm tuning in  
Yeah-i'm zooming in!  
Cos when you talk I really do listen

So we get onto this conversation it was oh so fun  
And when she finished I downed another drink of coke  
and rum  
I got a toilet break and had a cheeky fag  
She went when I came back I had to guard her bag  
-if you come home with me I work all you need  
Cos I've got a nice place and I don't mind we can walk  
at your pace  
If you wanna stay the night then it really is alright  
Cos there's enough space and I really think that you'd  
like my place

Cos I'm listening  
Yeah-i'm tuning in!  
Cos what you say is really interesting (yeah! )  
Cos I'm tuning in  
Yeah-i'm zooming in!  
Cos when you talk I really do listen (honest! )

\*Snoring\*

Yeah, yeah, yeah-yeah yeah yeah  
Yeah, yeah, yeah-yeah  
Yeah, yeah, ok-ok, uhuh but, yeah yeah yeah

So I asked her what music she liked  
- A bit of everything really  
I asked her be more specific, but she can't answer my query  
Ok that's enough, I've heard enough mindless chat  
I need to curb on the bullshit and get her back to my flat  
- girl I've heard enough, you talk about such wanton stuff  
Cos I've got a nice place and I don't mind we can walk at your pace  
- I've sat right here polite, lets go back now I'm borderline  
Cos there's enough space and I really think that you'd like my place

\*Intro in background\*

Cos I'm listening  
Yeah-i'm tuning in!  
Cos what you say is really interesting (yeah! )  
Cos I'm tuning in  
Yeah-i'm zooming in!  
Cos when you talk I really do listen (honest! )

Come on!

Bit of fun ennit?

We can talk more at my house go on, seriously
