Turn the lights out,  
Turn the lights out, turn the lights out,  
Turn the lights out, turn the, turn the,  
Turn the lights out, turn the lights out,  
Turn the lights lights out,

Make way for the ultraviolet teenage riot, don't try it,  
You can't (stop this, stop this),  
You can't (stop this, stop this),  
You see I'm lit like a molotov,  
Get out my way when the rut kicks off,  
You can't (stop this, stop this),  
You can't (stop this, stop this),

Get ready for the rough and tumble,  
If you wanna be starting something,  
You ain't seen nothing yet, no you ain't seen nothing,  
Push your way to the pit, stand tall raise your hands,  
If you wanna be starting something,  
You ain't seen nothing yet, no you ain't seen nothing,

Turn the lights out,  
Turn the lights out,  
Turn the lights out,

Make way for the bass,  
We fracture ribs and the dim when the sun comes in,  
(Go, go go go go go go go),  
Make way for the drums,  
We pillar these beats so hard like concrete sheets,  
(Go, go go go go),

We lit the fuse and we're ready to blow,  
I don't care where we are, I don't care where we go,  
You better run for cover where the filaments glow,  
I don't care where we are, I don't care where we go,

This is your last chance boy, this is your last chance,  
This is your last chance, your last chance,  
This is your last chance, your last chance,  
This is your last chance, your last chance,  
This is your last chance, your last chance,

Make way for the cardinal sin,  
When the boys come out, when the freaks come in,  
(Go, go go go go go go go go),  
Make way for the hover show,  
If you wanna bring it then we'll come a loco,  
(Go, go go go go go go go go),

We lit the fuse and we're ready to blow,  
I don't care where we are, I don't care where we go,  
You better run from cover where the filaments glow  
I don't care where we are, I don't care where we go,

I don't care where we go,  
I don't care where we go,

Turn the lights out,  
Turn the lights out,  
Turn the lights out,  
Turn the, turn the,  
Turn the lights out,  
Turn the lights out,  
Turn the lights out.
