[Haley Bennett]

I've been living with a shadow overhead
I've been sleeping with a cloud above my bed
I've been lonely for so long
Trapped in the past
I just can't seem to move on

[Hugh Grant]

I've been hiding all my hopes and dreams away
Just in case I ever need them again someday
I've been setting aside time to clear a little space in the
corners of my mind

[Haley Bennett & Hugh Grant]

All I wanna do is find a way back into love
I can't make *it* through without a way back into love
Oh

[Haley Bennett]

I've been watching but the stars refuse to shine
I've been searching but I just don't see the signs
I know that it's out there
There's gotta be something for my soul somewhere

[Hugh Grant]

I've been looking for someone to shed some light
Not somebody just to get me through the night
I could use some direction and I'm open to your
suggestions

[Haley Bennett & Hugh Grant]

All I wanna do is find a way back into love
I can't make it through without a way back into love
And if I open my heart again
I guess I'm hoping ** you'll be there for me in the end

[Haley Bennett]

Oh
Oh
Oh

[Hugh Grant]

Oh

Oh

[Haley Bennett]

Oh

Oh

There are moments when I don't know if it's real

Or if anybody feels the way I feel

I need inspiration not just another negotiation

[Haley Bennett & Hugh Grant]

All I *wanna* do is find a way back into love

I can't make it through without a way back into love

And if I open my heart to you I'm hoping you'll show me
what to do

And if you'll help me to start again

You know that I'll be there for you in the end

[Haley Bennett]

Oh

Oh

Oh

Oh

[Haley Bennett & Hugh Grant]

Oh

Oh

[Haley Bennett]

Whoa

Whoa

Whoa

Oh

[Hugh Grant]

Oh

Oh

[Haley Bennett]

Oh

Oh
