Negligent surgeons squad
Teamed up to disembowel
Perverse docs in blood stained scrubs
Armed with saws and scalpels

Doctors of malpractice
Doctors of malpractice
Masters of the sick
Doctors of malpractice

Sedated with illegal drugs
Choked by the oxygen mask
Ripped off heads severed arms
Slaughtered at the operation

Doctors of malpractice
Doctors of malpractice
Masters of the sick
Doctors of malpractice

Orgy in the operating room
Surgical gangbang
Blood splattered floor and walls
Scattered body parts
Medical atrocities
Dissect and neglect
Crippling your extremities
Dismembering contest

Grim bloodshed lethal cuts
Patients limbs are torn apart
Maimed abused and defiled
Don't wake up from anaesthesia

Doctors of malpractice
Doctors of malpractice
Masters of the sick
Doctors of malpractice
