Visit "[Formaldehyde](#)" on MotoLyrics.com

Bloodstained hands
Bloodstained walls
Dissecting is funnyyyyyyy!!!!!!!
I can't stop my addiction to rot
Narcotic effluviumssss!!!!!!!
[1] Injecting... Injecting - bursting my veins
Injecting... Injecting - organicide
Injecting... Injecting - sick and insane
Injecting... Injecting - formaldehyde!!!
Psychotic image, frenetic carnage
Splattered membersssssss!!!!
Parts of the corpses in transparent tombs
Floating foreverrrrrrr!!!!!!!
[repeat 1]
Burning stench of death!!!!
Formaldehyde!!!!
