Wander corridors seeking out for gore  
Raptors disguised in medical gowns  
Sedated inmates are the easiest preys  
Newborn Infants grimly I take away

Abducting...Sequestering  
Kidnapping the patients

Hospital Thieves  
Hospital Thieves  
Bandits in bloody scrubs  
Hospital Thieves

[lead: Clinical delinquency by Ana]

Stalking the rooms to plunder the sick  
Complete bodies, sometimes only limbs  
Rapid surgery - furtive organs theft  
Injured patients - slaughtered in their beds

Abducting...Sequestering  
Kidnapping the patients

Hospital Thieves  
Hospital Thieves  
Bandits in bloody scrubs  
Hospital Thieves

Vile assault to extirpate  
Maiming the convalescent  
Torn apart - ripped to shreds  
Your entrails I appropriate

Blood and bones, mangled flesh  
Hearts and kidneys I collect  
Gory swag - loot of entrails  
Silently I slip away

Abducting...Sequestering  
Kidnapping the patients

Hospital Thieves  
Hospital Thieves  
Bandits in bloody scrubs  
Hospital Thieves
