Hometown Hero

We stand in a pack staring  
Like younger girls do  
They all look apple cheeked  
I'm sure I do too

It's way past midnight  
Sweat makes hair stick  
To the back of my neck  
This excites me

He's my hometown hero  
He's my hometown hero  
He's my hometown hero  
He's my hometown hero

I must be one of God's  
Big time favourites  
Must have done something right  
To deserve all this

We've gone obsessive  
And his second hand Honda  
Is the centre of my world  
I am envied by senior girls

He's my hometown hero  
He's my hometown hero  
He's my hometown hero  
He's my hometown hero...

How good it feels to walk here  
Holding hands  
I'd like you even more  
If you were in a band

He's my hometown hero  
He's my hometown hero  
He's my hometown hero  
He's my hometown hero...
