Ski Jumper

He told her he would give everything  
If she just could bring him  
A ski jumper

And after the next few weeks  
He likes the jumper heaps  
And he wants to be  
A ski jumper

He's standing there tall  
Wearing his jumper and all  
When his heart gets small

Down down don't wanna go down  
Don't you push me down  
I wanna hang around a little longer

His feet are cold  
He says they should have told him  
What it's like for  
A ski jumper

He's starting to slide  
And there's nowhere to hide  
When you're  
A ski jumper

He's standing there tall  
Wearing his jumper and all  
When his heart gets small

Down down don't wanna go down  
Don't you push me down  
I wanna hang around a little longer

Down down don't wanna go down  
Don't you push me down  
I wanna hang around a little longer

He's in the air so there's not much to do  
But enjoy the view for  
The Ski Jumper

He's standing there tall  
Wearing his jumper and all  
When his heart gets small

Down down don't wanna go down  
Don't you push me down  
I wanna hang around a little longer

Down down don't wanna go down  
Don't you push me down  
I wanna hang around a little longer

A little longer
