Used to be one of the rotten ones and I liked you for that.

Used to be one of the rotten ones and I liked you for that.

Used to be one of the rotten ones and I liked you for that.

Now your all gone got your make-up on and your not coming back.

Can't you come back?

Used to be one of the rotten ones and I liked you for that.

Used to be one of the rotten ones and I liked you for that.

Used to be one of the rotten ones and I liked you for that.

Now your all gone got your make-up on and your not coming back.

Bleaching your teeth, smiling flash, talking trash,
under your breath.

Bleaching your teeth, smiling flash, talking trash,
under your breath.

Bleaching your teeth, smiling flash, talking trash,
under your breath.

Bleaching your teeth, smiling flash, talking trash,
under my window.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone, sleep on the floor,
dream about me.

Park that car, drop that phone.

Park that car, drop that phone. (dream about me)

Park that car, drop that phone.

Park that car, drop that phone. (dream about me)

Park that car, drop that phone.

Used to be one of the rotten ones and I liked you for
that.

Now your all gone got your make-up on and your not
coming back.
