Visit "[Canada Vs. America](#)" on MotoLyrics.com

I'm from the city of love  
We don't feel loved  
So closed, shut down

I met a broken cliff  
Heartbroke feeling  
So close shut down  
I don't want this to change  
It's nice to breathe in  
So closed, shut down

-----#chorus

Big guns are comin' out  
Big guns are comin' out  
Big guns, big guns  
-----

Don't worry one of us  
Children breathe in  
So closed, shut down  
Kids of America  
Seeming to believe in  
So closed, shut down  
Damn you America!  
Bloody feeling  
/]   
Go shut down!

#chorus

I'm from the city of love  
We all don't feel loved  
So closed, shut down  
I don't want this to change  
Tired of being loved  
So go shut down!

Big guns are coming out  
(Damn you America)  
Big guns are coming out  
(I'm from the city of love)  
Big guns are coming out

Big guns, big guns

#chorus
