The boy was in the hallway drinking a glass of tea  
On the other end of the hallway a rhythm was  
generating  
Now the boy was sliding up the hallway  
He merged perfectly with the hallway,  
He merged perfectly, in the mirror, r in the hallway

The boy looked at Johnny, Johnny wanted to run,  
But the movie kept moving as planned  
The boy took Johnny, he pushed him against the locker,  
He drove it in, he drove it home, he drove it deep in  
Johnny  
The boy disappeared, Johnny's on his knees,  
Started crashing his head against the locker,  
Started crashing his head against the locker,  
Started laughing hysterically.

When suddenly Johnny gets a feeling, he's being  
Surrounded by  
Horses, horses, horses, horses  
Coming in in all directions  
White, shining, silver, studs with their nose in flames,  
He saw horses, horses, horses, horses, horses, horses,  
Horses, horses.
