Market fresh stand by me
Where will it ever land
Scar and stains, Emily
Turn our little crab

I could have meant it if you let me
I could have meant it if you let me
I could have meant it if you let me

Market fresh stand by me
Where will it ever land
Scar and stains, Emily
Turn our little crab

I could have meant it if you let me

I'm frozen
(I'm frozen, I'm frozen, I'm frozen, I'm frozen)
I'm frozen
(I'm frozen, I'm frozen, I'm frozen, I'm frozen)
