Running away in the autumn rain
Did you ever see a little child sleeping?
"To be near them will my sorrow drain..."
Suddenly I stocked, their bodies weren't breathing
anymore
And I couldn't help!
They captured my heart with their sorrow... it grows

-
Due to the ones who fear
Dance in the morninglight
Due to the ones who fear
Slaves to this innocent might

-
Due to the ones who fear
Dance in the morninglight
Due to the ones who fear
Slaves to this innocent might

-
Carrying away the ones I love
Folden hands, they have been blessed
Now I feel angry 'bout the ones above
Just no warning, no sign
Hey, yes, I fear!
And I just really feel darkness inside
Lost without a chance to hide

-
Due to the ones who fear
Dance in the morninglight
Due to the ones who fear
Slaves to this innocent might

-
See me down
Down on the ground
Hoping that nobody hears
The sound of this falling tears

-
Endless bleeding
Hoping that nobody sees
What you did to me!

-
Endless weeping

Hoping that nobody hears
The sound of this falling tears
-
Endless mourning
Hoping that nobody knows
