Visit "[Mother Nature](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Mother nature can comfort and lead us  
Can shelter and feed us  
But she doesn't need us  
Mother nature can cheat and mistreat us  
Destroy and defeat us  
'Cause she doesn't need us

Mother nature can shelter and feed us  
Or kill and defeat us  
'Cause she doesn't need us  
Mother nature doesn't need us

Mother nature doesn't heed us

Up and down and round and round we spin  
Like dust in the wind  
Up and down and round and round we spin  
Like dust in the wind
