[Music: A. Nasserì / Lyrics: A. Nasserì]

\_\_\_ the one in sorrows  
To release my darkened mind  
And never to \_\_\_ my way to thee  
A light that blinds the blind  
God end this suffering  
My blood and tears that flow for you  
My King

My Son, beware...  
... of all that your eyes cannot see  
Trust your mind  
And strengthen your abilities

Did you ever touch the starlight?  
Dreamed for a thousand years?  
Have you ever seen the beauty  
Of a newborn century?

And now's the time to enter  
A new way, things to see  
Man is just a weak reflection  
In evolution's history

And in the hour of darkness  
It will guide your way:

La bellezza del paese di Galilei [the beauty of the  
country of Galilei]

E nella mia ora piÃ fÃ fÃ,Â¹ buia [and in my darkest  
hour]  
loro splenderanno [they will shine]  
per me [for me]  
all'infinito [for ever]

\_\_\_ the one in sorrows  
To release my darkened mind  
And never to \_\_\_ my way to thee  
A light that blinds the blind  
God end this suffering

My blood and tears that flow for you  
My King

Geboren im flackernden Kerzenschein [born in  
flickering light of the candle]  
Verfasst in dunkler Zeit [enscripted in sombre times]  
Ein altes Stück von Pergament [an old piece  
of parchment]  
Sich mit der Feder vereint [unites with the feather]

Der Zeichnung seines Arms entspringt [arising from  
his arm's drawing]  
Der Universen Zelt [the tent of the universe]  
Es ist der Zeiten Anbeginn [it is the beginning of time]  
Und ändert diese Welt [and changes this  
world]

Des Universums Zelt [the tent of the universe]

Nato al lume guizzante della candela [born in flickering  
light of the candle]  
Scritto in tempi oscuri [enscripted in sombre times]  
Sulla vecchia pergamena [an old piece of parchment]  
Scorre la penna [unites with the feather]  
E dal suo braccio nasce [arising from his arm's  
drawing]  
Il disegno delle volte celesti [the tent of the universe]  
All'inizio dei tempi [it is the beginning of time]  
E cambierà il mondo [and changes this world]

My son, take care...  
of all what the cross wants you to be  
Trust your eyes  
And strengthen your abilities

Did you ever touch the starlight?  
Dream for a thousand years?  
Have you ever seen the beauty  
Of a newborn century?

And time has come to doubt  
About the holy verse  
It is just a weak reflection  
In our endless universe

And in your hour of darkness  
The beauty guides your way:

La bellezza del paese di Galilei [the beauty of the  
country of Galilei]

E nella mia ora piÃ fÃ fÃ,Â¹ buia [and in my darkest  
hour]  
loro splenderanno [they will shine]  
splenderanno per me [shine for me]  
all'infinito [for ever]
