My heart is tellin me  
Go Go  
Get it  
I feel it from inside  
I can't believe that my heart is beatin  
Im sorry for hurtin  
you  
On & On

Somethin's pumpin  
I think its dangerous  
Believe me girl I've tried to keep it steady  
But it broke out of me  
Jumping up and down  
and now you see me walkin  
with my broken heart  
I've been carryin it around since we broke apart  
So how did I end on the dance floor  
I gues I cant ignore  
My heart is telling me  
Go Go  
Get It  
I feel from inside  
I cant believe that my heart is beatin Im sorry for hurtin  
YOU  
On & On
