BERGER:

Me and Lucifer
Lucifer and me
Just like the angel that fell
Banished forever to Hell
Today have I been expelled
From high school heaven

Elevator going down
Going down
Going down

Everybody going down
Going down
Going down

This is my doom, my humiliation
October, not June
And it's summer vacation
Such a disgrace
How can i face the nation?
Why should this pain
Bring me such strange elation?

Escalator going down
Going down
Going down

Everybody going down
Going down
Going down

Emancipation proclamation
Oh Dr. Lincoln
My head needs shrinkin'
Lu lu lu lu lu Lucifer and me
Doomed from here
To e-ter-ni-ty!

Going up going down
Going down

Going down

Everybody going up

Going down

Going down down down down

Forgive me if I don't cry

It's like the Fourth of July

Thank God that angels can fly

Down down down

Going down down down

Going down down down

Going down!
