"I Can Wait"

Visit "[I Can Wait](#)" on MotoLyrics.com

On my own, there's no chaperone
But my heart still is mine for the keeping
Tracy, take a rest; you can pass this test
You can still dream your dream while you're sleeping

BRIDGE:

If I can just stay true
To the steps I've taken
It will all come through

If it's fate, let it be
'Cause now I see
I can wait

Change takes time, it's a long hard climb
But I'll get to the top if I'm steady
And where love's concerned, well, I guess I've learned
Just to trust he'll be here when he's ready

REPEAT BRIDGE

I'll let fate set the day
It's okay
I can wait

Plant the tiniest seed down below
Tend it well, and stand back
And just watch it grow
Watch me grow

REPEAT BRIDGE

Name the date, and say when
But 'til then
I can wait
