We starve, look at one another, short of breath  
Walking proudly in our winter coats  
Wearing smells from laboratories  
Facing a dying nation of moving paper fantasy  
Listening for the new told lies  
With supreme visions of lonely tunes

Somewhere, inside something there is a rush of  
Greatness, who knows what stands in front of  
Our lives, I fashion my future on films in space  
Silence tells me secretly  
Everything  
Everything

Manchester, England, England  
Manchester, England, England  
Across the Atlantic Sea  
And I'm a genius, genius  
I believe in God  
And I believe that God believes in Claude  
That's me, that's me, that's me

We starve, look at one another, short of breath  
Walking proudly in our winter coats  
Wearing smells from laboratories

Facing a dying nation of moving paper fantasy  
Listening for the new told lies  
With supreme visions of lonely tunes

Singing our space songs on a spider web sitar  
Life is around you and in you  
Answer for Timothy Leary, dearie

Let the sunshine, let the sunshine in  
The sunshine in  
Let the sunshine, let the sunshine in  
The sunshine in  
Let the sunshine, let the sunshine in  
The sunshine in

Let the sunshine, let the sunshine in

The sunshine in  
Let the sunshine, let the sunshine in  
The sunshine in  
Let the sunshine, let the sunshine in  
The sunshine in

Let the sunshine, let the sunshine in  
The sunshine in  
Let the sunshine, let the sunshine in  
The sunshine in  
Let the sunshine, let the sunshine in  
The sunshine in
