White boys are so pretty  
Skin as smooth as milk  
White boys are so pretty  
Hair like Chinese silk

White boys give me goose bumps  
White boys give me chills  
When they touch my shoulder  
That's the touch that kills

My mother calls 'em lilies  
I call 'em Piccadillies  
My daddy warns me to stay away  
But I say, "Come on out an' play"

White boys are so groovy  
White boys are so tough  
Every time they're near me  
Just can't get enough

White boys are so pretty  
White boys are so sweet  
White boys drive me crazy  
Drive me indiscreet

White boys are so sexy  
Legs so long an' lean  
Love those sprayed on trousers  
I love the love machine

My brother calls 'em rubble  
That my kind of trouble  
My daddy warns me, "No, no, no"  
But I say, "White boys go, go, go, go, go"

White boys are so lovely  
Beautiful as girls  
Love to run my fingers  
An' toes, through all their curls

Give me a tall  
A lean, a sexy

A pretty, a groovy  
A juicy white boy

Oh, yeah, give me a white boy  
White boy  
Yeah, yeah, yeah, yeah  
White boy

Come on an' lie down inside me  
Hey, white boy  
Ooh, yeah, give me a white boy  
White boy, ooh, white boy, ooh  
White boy, ooh, white boy
