Hey old friend, let's look back  
On the crazy clothes we wore  
Ain't it fun to look back  
And to see it's all been done before

All those nights together  
Are a special memory  
And I can't wait for tomorrow  
Just as long as you're  
dancing next to me

Cause it's so clear  
Every year  
We get stronger  
What's gone is gone  
The past is the past  
Turn the radio up  
And then hit the gas

Cause . . .  
I know we've Come So Far  
But we've Got So Far To Go  
I know the road seems long  
But it won't be long 'till it's time to go

So, most days we'll take it fast  
And some nights lets take it slow  
I know we've Come So Far  
But baby  
We've Got So Far To Go

Hey old friend, together  
Side by side and year by year  
The road was filled with twists  
and turns  
Oh but that's the road that  
got us here

Let's move past the bad times  
But before those memories fade  
Let's forgive but not forget

And learn from the mistakes we made

Cause it's so clear  
Every year  
We get stronger  
So don't give up  
Don't say when  
And just get back on the road again

Cause . . .  
I know we've Come So Far  
But we've Got So Far To Go  
I know the road seems long  
But it won't be long till it's  
time to go

So, most days we'll take it fast  
And some nights lets take it slow  
I know we've Come So Far  
Oh but baby, baby  
We've Got So Far To Go

Hey old friend come along for the ride  
There's plenty of room so jump inside  
The highway's rocky every now and then  
But it so much better than  
where I've been

Just keep movin', at your own speed  
Your heart is all the compass  
you'll ever need  
Let's keep cruisin' the road we're on  
'Cause the rear view mirror only shows  
what's gone, gone, gone

Cause it's so clear  
Every year  
We get stronger  
So shine that light  
Take my hand  
And let's dance into tomorrow land

Cause . . .  
I know we've Come So Far  
But we've Got So Far To Go  
I know the road seems long  
But it won't be long till it's  
time to go

So, most days we'll take it fast  
And some nights lets take it slow

I know we've Come So Far  
Oh but baby, baby  
We've Got So Far To Go
