Hey old friend, let's look back

On the crazy clothes we wore

Ain't it fun to look back

And to see it's all been done before

All those nights together

Are a special memory

And I can't wait for tomorrow

Just as long as you're

Dancing next to me

'Cause it's so clear

Every year

We get stronger

What's gone is gone

The past is the past

Turn the radio up

And then hit the gas

'Cause...

I know we've Come So Far

But we've Got So Far To Go

I know the road seems long

But it won't be long 'till it's time to go

So, most days we'll take it fast
And some nights lets take it slow
I know we've Come So Far
But baby baby
We've Got So Far To Go
Hey old friend, together
Side by side and year by year
The road was filled with twists
And turns
Oh but that's the road that
Got us here
Let's move past the bad times
But before those memories fade
Let's forgive but not forget
And learn from the mistakes we made
'Cause it's so clear
Every year
We get stronger
So don't give up
Don't say when
And just get back on the road again
'Cause...
I know we've Come So Far
But we've Got So Far To Go
I know the road seems long

But it won't be long till it's

Time to go

So, most days we'll take it fast

And some nights we've take it slow

I know we've Come So Far

Oh but baby, baby

We've Got So Far To Go

Hey old friend come along for the ride

There's plenty of room so jump inside

The highway's rocky every now and then

But it so much better than

Where I've been

Just keep movin', at your own speed

Your heart is all the compass

You'll ever need

Let's keep cruisin' the road we're on

'Cause the rear view mirror only shows

What's gone, gone, gone

'Cause it's so clear

Every year

We get stronger

So shine that light

Take my hand

And let's dance into tomorrow land

'Cause...

I know we've Come So Far

But we've Got So Far To Go

I know the road seems long

But it won't be long till it's

Time to go

So, most days we'll take it fast

And some nights will've take it slow

I know we've Come So Far

Oh but baby, baby

We've Got So Far To Go
