[Verse 1]

Going out of my mind and what did you say?  
I'm gone, I'm gone  
Sentimental judge, and now I'm feeling  
Trying not to fold I wanted to have  
Some fun, so why don't you just..

[Hook]

Shut up and relax, don't lose your head  
I'm going down the road, did it on my own  
Stand up and face it, I know what I did

[Chorus]

Well I don't know how much I can take  
Of it killing me, yeah, day after after day  
I don't know how long I can fake  
It's under my skin day after day

[Verse 2]

No since making something out of nothing  
Even though, I still know what you'd say  
I'm gone, I'm gone  
Started innocent and now it's building  
Found out what I hadn't had a taste of  
Some fun, so why don't you just..

[Hook]

Shut up and relax, don't lose your head  
I'm going down the road, did it on my own  
Stand up and face it, I know what I did

[Chorus]

Well I don't know how much I can take  
Of it killing me, yeah, day after after day  
I don't know how long I can fake  
It's under my skin day after day

From your point of view I never listen, just say  
something worth hearing x 8

[Chorus 2x]

Well I don't know how much I can take

Of it killing me, yeah, day after after day  
I don't know how long I can fake  
It's under my skin day after day
