I know it ain't easy
And it's not often safe
In a way that I see
Stands within reason
But Christ only knows if it gets real
It could have been different
And I wouldn't have to be somebody else
I could have done something
While ever so slowly my angels...

Fade away, maybe tomorrow or maybe today
Fade away, behind your sunset forever I'll stay

It could have been different
Then I wouldn't have to be somebody else
I could have done something
When ever so slowly the thing is a waist

I don't know how it could be like this
Things aren't going up and down like this
All these things every emotion of
Turn me away til the gates of... hell

Fade away, maybe tomorrow or maybe today
Fade away, beyond the sunset forever I'll stay
Fade away, maybe tomorrow or maybe today
Fade away, far away from the sorrows, and we would
become

Nothing you can ever say,
Than you'll really fade away,
Into the most interlight,
You can see the stars so bright

Oooooohh! Aooohh!

And maybe there's a way to let it go x6

Fade away
And maybe there's a way and...
Maybe tomorrow or maybe today
Fade away

Behind your sunset forever Iâll stay
Iâll just fade away
Fade away
Away, away, away...
Fading your life away x2
Stars they will find time, and silence will see you
Everything different to me
Tomorrow belongs to me
Tomorrow belongs, tomorrow belongs, tomorrow
belongs to me...
To me
