I'm coming right over  
We'll huddle close  
And we'll get back  
I'm coming right over  
We'll huddle close  
And we'll get back  
I'll listen to all that you say  
I'll be here in every way

(Melodic Ooo-ing)

You're out on your own  
You're feeling that cold  
And that ain't easy  
For someone like you

(Melodic Ooo-ing)

You're out on your own  
You're feeling that cold  
And that ain't easy  
For someone like you  
I'm coming right over  
We'll huddle close  
And we'll get back  
I'm coming right over  
We'll huddle close  
And we'll get back

And that ain't easy  
For someone like you

You're out on your own  
(Melodic Ooo-ing)  
You're out on your own  
(Melodic Ooo-ing)  
You're out on your own  
(Melodic Ooo-ing)  
You're out on your own  
(Melodic Ooo-ing)

You're out on your own
