What a lovely dance  
Wasn't looking for romance  
But I found it  
What a pretty day  
Rain and wind that came soon went away  
Just like my love  
Oooo but she'll come back some day  
Feels like I lost both of my gloves  
And my hat has blown away  
I can only live in hope  
Only live in hope  
And pray  
What a special night  
Wasn't think about what was wrong  
But what was right  
Such a pretty day  
Rain and wind that came soon went away  
Just like my love  
Oooo but she'll come back some day

Feels like I lost both of my gloves  
And my hat has blown away  
I can only live in hope  
Only live in hope  
And pray

Just like my love  
Oooo but she'll come back some day  
Feels like I lost both of my gloves  
And my hat has blown away  
I can only live in hope  
Only live in hope  
And pray

We can't and we won't  
We can't  
Live without  
We can't, we can't  
Live without hope  
We can't, we won't  
Live without hope  
We can't and we won't

Live without hope
