Last night I dreamed you were back again  
Larger than life again, holding me tight again  
Placing those same kisses on my brow  
Sweeter than ever now, lord I remember how  
Couldn't get enough of kissing, do you know how much  
you're missing  
No you don't, but I do

The days like a slow train trickle by  
And even the words that I write refuse to fly  
All I can hear is your song haunting me  
Can't get the melody out of my head, you see  
Distractions are amusing, do you know how much  
you're losing  
No you don't, but I do

But I do, and I wonder if I'm past the point of rescue  
Is no word from you at all the best that you can do  
I never meant to push or shove you, do you know how  
much I love you  
No you don't, but I do

I swore I'd never fall like this again  
Fools like me never win, came to my knees again

Can't close the door on likely hood  
Things might be just as good, I always believed they  
would  
Gotta let your love invite me, baby do you think it might  
be  
No you don't, but I do

But I do, and I wonder if I'm past the point of rescue  
Is no word from you at all the best that you can do  
I never meant to push or shove you, do you know how  
much I love you  
No you don't, but I do

But I do, and I wonder if I'm past the point of rescue  
Is no word from you at all the best that you can do  
I never meant to push or shove you, do you know how  
much I love you

No you don't, but I do  
I know you don't, but I do  
I know you don't, but I do
