When troubles surround us, when evils come

The body grows weak and the spirit grows numb

When these things beset us, He won't forget us

He sends down His love on the wings of a dove

Chorus

On the wings of a snow-white dove

He sends His pure sweet love

A sign from above

On the wings of a dove

When Noah had drifted on the flood many days

He searched for land in various ways

Troubles, he had some, but he was not forgotten

He sent down His love on the wings of a dove

Chorus

Guitar break

When Jesus went down to the water that day

He was baptized in the usual way

And when it was done, God blessed his son

He sent down his love on the wings of dove

Chorus

Was a sign from above

On the wings of a dove
