If I never knew you  
If I never felt this love  
I would have no inkling of  
How precious life can be

And if I never held you  
I would never have a clue  
How at last, I'd find in you  
The missing part of me

In this world so full of fear  
Full of rage and lies  
I can see the truth so clear  
In your eyes, so dry your eyes

And I'm so grateful to you  
I'd have lived my whole life through  
Lost forever  
If I never knew you

If I never knew you  
I'd be safe but half as real  
Never knowing, I could feel  
A love so strong and true

And I'm so grateful to you  
I'd have lived my whole life through  
Lost forever  
If I never knew you

I thought our love would be so beautiful  
Somehow we made the whole world bright  
I never knew that fear and hate could be so strong  
All they'd leave us where these whispers in the night  
But still my heart is singing, we were right

If I never knew you  
(There's no moment I regret)  
If I never knew this love  
(Since the moment that we met)  
I would have no inkling of  
(If our time has gone too fast)

How precious life can be  
(I've lived at last)

I thought our love would be so beautiful  
Somehow we made the whole world bright  
I thought our love would be so beautiful  
We'd turn the darkness into light  
And still my heart is singing, we were right

And If I never knew you  
I'd have lived my whole life through  
Empty as the sky, never knowing why  
Lost forever  
If I never knew you
