So long to you my love  
Don't be afraid to run away  
I know you'll be ok  
Just take your time to find

\*\*

But (coz) I need you here tonight  
I need you here in sight  
I need you here tonight  
I really really need you here tonight

Made up my mind on this  
It's too late for me to hold you back  
Maybe too short or tall  
To cry for you but I will anyway

Repeat \*\*

It's all my fault  
To feel this way for you, and I do  
I know that I am and I will  
Know it's wrong, so wrong, so wrong

Repeat \*\*

I need you, I need you, I need you  
I really really need you here
